Dear Mr. Fischer:

Thank you for your recent inquiry to our office. I am enclosing the literature you requested.

You probably know that there is a Friends of SNCC group in your vicinity. They are in charge of organizing the program of "adopting a Freedom Fighter". Mr. Ewen's name is on a list of needy volunteers that was sent to Alicia Kaplow, 202 Marion St. Madison Wisconsin. Since they are handling all details on the matter, I feel you should check with them. They have the addresses and assignments of the volunteers.

Thank you again for your attention to this matter.

Freedom,
Barbara Jones
