Dear Wes,

Thank you for the parting note. Sorry to be so long in answering, but it's OK to sell the stuff. The address in Indianola is COFO, Jefferson St., Indianola, Miss. and you can write to them for news of how what happens. There is more art in the office now, if you would like it (I'll have to clear it when Liz gets back, though). I thought it would be impossible to chase down individual contributors, so I just asked for and got a group decision to give up the pictures. I hope that's sufficient, and I hope that you have good results with your project.

Thanks very much

Yours ~~XXXX~~ truly,

COFO
