Dear Amzie:

Thanks so much for your hospitality when McCrackin and I were down there. It was really good to see you again and to get your ideas on current happenings. More power to you--- you are always in my prayers and thoughts.

By the way, Rebecca Rodgers was going to send me a photo taken when she and the others were in Chicago to go with a story about this project. It has not come, and I am writing to remind her. Would you encourage to send it to me, please?

Warm regards,

Anne Braden

P.S. Please say hello to the McLaurins for me.
