Rev. W. L. Meadows,
Secretary to the Rural Areas Development Committee
Quitman, Mississippi

Dear Rev. Meadows:

Mr. C. G. Deaton, Acting State Director of Farmers Home Administration, United States Department Of Agriculture, said that as Secretary of the Rural Areas Development Committee in Clarke County that you would most likely be able to help me.

I need a copy of the Overall Economic Development Program report on Clarke County in 1962. Any aid you could lend in obtaining this report would be greatly appreciated.

Sincerely yours,

gk
Greg Kaslo
