Dear Alicia

I haven't had time to write much as things are pretty chaotic here.

Do you think you could send me a bus ticket from Jackson to Cairo, Ill.? I suppose I will be leaving some time next week.

Several people that I've been working with were arrested Sat but bailed out Sunday. It's quiet here by comparison with the "Delta" & the Southwestern part of the state. I suppose you've been reading about that.

I'm broke but am borrowing \$10 from a friend in Madison so I can eat.

I've got friends in Urbana so I shouldn't have much trouble hitching up from Cairo as I can stay over there.

Many thanks for your help.
