Dear Mrs. Gray

I am writing in regard to what we discuss at the Retreat in Waveland Miss. The balance on the Encyclopedias is seventy two dollars (\$72.)

My gas is not on yet. I tried to borrow some money to get it turned on, all I was able to get was ten dollars (\$10.) that wasn't enough. I ^{will} have to make a new disposal that \$20. plus 523 for service charges a total of \$25.23 The twenty five ^{dollars} plus twenty three cent is plus the amount ~~for~~ ^{for} gas listed on the written statement I gave ~~you~~ ^{to} you. A total of thirty some dollars to get my gas back on

yours in the struggle
Lois L. Rodgers

P.S. Mrs. Gray please let me hear from you as soon as possible. I do hope your committee can be of some help to me soon this is SSS,

Thank you in advance.
