Tuesday Morning January 26, 1965__ About 11:00 A.M. Mr Billy Noble were out in the Madison County Present checking on the people house out in the Valley view area, he was out in the folks of the road in madison county, between the office and the valley view store, he had a list, and as he get to a person house he will stop and check his list then he will drive on, he didnt not talk to no one but he will stop in front of the people home and check,

He stood in the folks of the road about thirty minute and then he turn south and went toward sharon miss, he were still checking on people house. what he were checking for I dont know, because he didnt stop to talk to no one, and there were no one in the car with him he were by his self,

I didnt have a chance to talk to him and no one else he just were checking out in this precienot and the local people house, he was driving very slow like he were looking for someone but he were stoping in front of people house and checking them,
