P.S. Our plans and hopes are to ship the food on April 7th--
via. R. Express, unless we find an appropriate trucker.
We will ship them to "George Raymond, 838 Lutz St., et."
unless you suggest a more logical way of having it
delivered--meat, fruit, flour, sugar. Plse. reply on this

Dear JA, B & G, Inc.:

We thank you for the nifty long, detailed letter
which arrived about ten minutes before our meeting this a.m.
The fact is, it is making the rounds and I have not had
a chance to read it with all its full-flavor. That may
come tomorrow-- In the meantime, we have more to talk to
you about-- More loaves of bread to pull out of the oven--
others need ^{to} start "working" on the shelf.

We are looking forward very much to a list
of pen-pals when you can produce them, for we are approaching
interested parties at the Housatonic Regional Valley High
School re. this, and I am sure there will be many who wish
to participate. It is well worth trying, anyway.

It is a pleasure to tell you that we are able
to pay for the support of George--Barbara & Earl Hubbard
are responsible for this and look forward to knowing George--
Somehow I feel we do already to some extent. But the more the
better!

We would like to ask you to take immediate
steps to contact Frank Jones--the Chicago lawyer-- Please
ask him immediately if he is interested in the possibility
of coming down to Canton to give help to you-- Please
ask him how much is required to keep him going--and how
long he would consider staying. Please do this as rapidly
as feasible, and we in turn will see what can be done here.

We are most grateful, by the way, to your
grandmother, Mill, for having furnished a car--for now
we can ~~xxxx~~ try to move on, ~~is~~ perhaps, ~~the~~ more creative
things. She must be a very nice person.

Another matter which we would appreciate
a fast reply on is the consideration of investing in
the agri. coop. In this regard, we would like, in addition
to the copy of By-Laws, a copy of the financial statement.
This may turn out to be a good possibility--but further
action apparently requires a financial statement. Okay?

Now we are about to send you a nice load ~~is~~
of food--also clothing. I suppose it will arrive very
nearly the same time as Easter. We have allotted a fair
sum for this but the exact details will have to come in
the next letter. We had hoped to catch ~~Max~~ Morris Brickman
in his Lakeville Food Center this noon--but were not
successful. In a day or two we will have had a conference
with him about obtaining food for you, also data on when,
exactly, you might be able to expect the shipment. Please
do try to organize, in the meantime, for equitable dis-
tribution, when it does arrive.

The check for George is being mailed to the
national office today and we hope somehow George feels
some special love coming his way -- He surely deserves it.

Our very best to all of you-- Plse. write very soon!

XXXXX Janet Swing
