Dear Sir,

I am sorry to have been reminded to send in our project report, due to the fact that our staff seemed to have lost interest in working or writing out reports. We had to depend on our local people who were not so experienced in such matters.

Most of our paid staff has left. Judy Wright left April 24. Frank right and Eric Weinberger left May 11. We only have two paid staff workers, Joe Morse and George Smith Jr.

The Southern climate was no good for Judy's asthma and Eric Weinberger felt he was no contributing anything to the community.

I can assure you of a report twice a month hereafter.

Our staff consists now of five local citizens and Joe Morse.

Yours for Freedom,

Mrs. Catherine Crowell
