Dear Peggy:

Enclosed you will find a highly laudable letter from the Southern Christian Leadership Conference regarding your and Miss Asgeirsson's participation in the SCOPE project.

Those of us in the Office of the Dean of Students would like to commend you and Miss Asgeirsson for your active and constructive participation in the civil rights movement. The SCOPE project and those who shared in its work provide dramatic testimony to the fact that one's education can be extremely and immediately relevant to the great issues of the day.

Sincerely,

A handwritten signature in dark ink, appearing to read "Robert G. Jones", with a stylized flourish at the end.
