Dear Lucy,

Many thanks for your time
and efforts on my behalf.

This appeal for Jerai stems
from a sincere desire to allow
a talented young man to contribute
more to the struggle.

Jerai says that he will be the
distributor at the present time.
If you have counter-proposals

please do not hesitate to
direct them to me immediately.

I hope it is not contrary
to your thinking for Terrell to
handle the film. However I
would think your remittance
could be (~~transacted~~) arranged
by you and the enclosed mentioned
Company or myself. I feel
this would protect you or
myself from bombardment
of similar request. I am sure

nevertheless that you are
able to make the best decision.

I have not submitted your
address or any other identifica-
tion to Jerri in lieu of your
permission should you feel
it necessary.

To be sure you remember our
introduction, I am the worker
you spoke to by phone in Greenville ^{1964?}

Charles Cobb. I am very glad to
see your or part of your desire ful-
filled in the Atlanta project

now in preparation.

Do you know where Charlie
is now?

where is John Foul and is
Stokely Carmichael still in
Alabama.

I was speaking to Bill Hall
one day last week.

When will you be in New York?

When will Bob Moses be back
in the country?

Thanks,

Sincerely,

Myra Thomas
