Dear Mrs. Lucy Montgomery

I dont think I can tell you how much your package and check was appreciated but any way you can feel assured that we do appreciated your kindness of effort to help give us a merry Christmas. And you can be sure that it is going to be used to the wisest of our knowledgment to help bring out Christmas to a happy holiday at Tene City.

It was a great pleasure for me to meet you in Washington on Thinksgiving day and I think all of the people that came along enjoyed them selves also. I am sorry that I wasn't to active at the meeting but I had reasons not to be I felt that it would be more important if the people gotten a chance to speak them selves more, and it seemed that they talked more than ever before in a meeting which to me was great because I didn't know they would do so until then .

The land has been serveyed and the builder was up here yesterday and also Frank Smith , so in the near futur we are planning to start building hopefully with in the next week or so,

Lucy I hope you can feel the appreciation of us as well as we wish you and all a merry Xmas and a happy new year and mabey some time we will be able to sit down and write friends and send them Gifts for Xmas.
