Dear Mrs Montgomery :

Long time no see. I was just wondering would you do something for me.

On July 21. Mary Holmes Jr. College President , gave us a used Bus. The bus need some work done on it. The community could collect the money to pay for the repairs but, the local folks have about 20.000 thousand dollars up in cash bond. and we are steadily raiseing money for our operation. we do not get any outside help now.

we plan a voters Registration and Education Drive in August if we had the bus fixed we would be able to work better we are attempting to register and educated as many people as possible. For the first time we have enough people to do the necessary work.

The bus will cost \$300.00 to be repaired I know that we will not be able to get the money by Aug. We must start this program by that time because September the 20 is last day to register in order to vote in the coming election.

I was wondering would you loan us the money and when we collect the amount from the communtiy I will repay the money or we can pay you in payments until it is paid in full. I am not asking you to donate or give us the money butvto loan it to us. Please let me know if you can do this , so I might know what other step to take. I am looking forward to hearing from you.

As ever
