Mr. J. H. Boockholdt
Title I Coordinator
State Department of Education
Montgomery, Alabama

Dear Mr. Boockholdt:

I am informed by Dr. Alpheus White of the U. S. Office of Education that information relating to the Title I programs being undertaken by the Lowndes County Board of Education can be obtained from you. Would you therefore send me copies of the applications including full descriptions of the programs approved for the 1965-66 school year and any which has been approved for the 1966-67 school year. I shall be happy to bear any reasonable cost in connection with the reproduction of these documents.

My clients, the Lowndes County Freedom Organization, and I have been concerned in the past to find that certain local officials have failed to recognize the public nature of this information. I trust this reluctance will now be appropriately overcome.

Very truly yours,

YALE RABIN
