Mr. Bruce Hartford
819 Pearl Street
Grenada, Mississippi

Dear Bruce:

Thank you for your report dated December 6, 1966. It is very important that I receive reports such as this in order to keep myself informed-- especially at this time when most of my time is being spent in Chicago.

I would like you to do one other thing to assist me in writing the annual report which is coming up. That is, I would appreciate it if you would write up a brief, but inclusive report on everything that has been done in Grenada in connection with the federal programs that are being instituted there. Please complete this report and send it to me as soon as possible.

I also am asking you to continue sending in weekly reports on your progress.

In God we trust,

Hosea L. Williams, Director
Southern Field Program
