Dear Amzie:

Enclosed ~~are~~<sup>are</sup> eight money orders totaling \$2,000 which the committee decided to send. At the Board meeting we voted to send you personally \$100.00 from our administrative fund to help in the expenses you have been put to in Grenada county and the trips going and coming. Use this as you think best. We are not designating it for any specific expense.

Hope things are moving forward in the Headstart program. Please give my love to the ladies I know--and of course, incidentally, to the men.

As ever in Friendship,

*The accounting of other  
money spent was  
Very clear - who paid the \$12500 to-07?*

*Nice*
