Dear Amzie,

The Chicago people are very enthusiastic about having twelve candidates and campaign managers from Sunflower and Bolivar come to Chicago March 30th through April 4th for a political training session.

Enclosed are 13 copies of the schedule. Please distribute 12 copies to those persons who will attend and keep one copy for yourself. Please call their attention particularly to the address where they are supposed to go upon arrival, which is 6625 South Parkway.

Monday night, in New York, I met with Julian Bond, Victoria Grey, Ella Baker and Bob Zellner to discuss details of the Cleveland program for April 24th through May 26th. So far, everything seems in good order. I am pleased that Miss Baker has agreed to be a resource person in Cleveland.

Cordially yours,

Mrs. Kenneth Montgomery
