Dear Mr. Moore.

My co-worker Jane Kerina told me that your work takes you around in Mississippi quite a lot. Also that in your travels you know many families that could use clothes that my children and husband and I have no further use for. The clothes are clean and I am sure could be use for quite a while longer.

Within the next week you will be receiving a duffle bag full of clothes. We only ask that you return the duffle bag so that we might send some more to you. Enclosed you will find the key

for the lock. Our name + Address is:

Mr. + Mrs. Harold Respass

195 Nagle Ave.

N.Y. 10034,

Hoping to hear from you soon.

Yours sincerely

Mrs. Harold Respass

P.S. At the same time please
return the lock and key.
