Mr. [redacted]
Shelby, Mississippi

Dear [redacted]

Bolivar County is faced with a very serious challenge in the general election on November 7th. Three of our five supervisors have opponents, and Dana Moore has an opponent for his House seat. I have an opponent from Mound Bayou in my bid for re-election to the State Senate. Max Dilworth has an opponent for supervisor.

All of these opponents are sponsored by the Freedom Democratic Party, and they are out to take over Bolivar County.

I am asking your help in my own behalf and in behalf of Dana Moore and Max Dilworth. I ask that you at once begin to tell your family, friends and business associates about the importance of this election. Every one of us must vote on November 7th. Please announce this at your clubs and group meetings.

You may have a number of Negro friends who would vote with us. They also know that we must have a stable government. Please also talk to them.

Sincerely yours,

W. B. (Bill) Alexander
