Mr. Amzie Moore
614 South Chrisman Street
Cleveland, Mississippi

Dear Mr. Moore,

As a candidate for Governor of Mississippi, I have endeavored to wage the type of campaign which would result in a constructive contribution to the future of my State.

If you have followed our campaign on television and through the press, I believe you will agree that we have frankly and bluntly faced the issues and have offered constructive solutions.

It is my hope that we may have your support in the election on November 7th.

Sincerely,

A handwritten signature in cursive script that reads "Rubel Phillips".
