William Beverly 12 7th grade  
8 years at Ruleville Central High

Every November my teacher tells the class we have to go to the fields to pick cotton and if we don't go the teacher says we have to bring money, ~~xx~~ and if we don't bring money the teacher says she will flund us. The next day we all go out and pick cotton. I have gone to Cassell May's plantation to pick each time. I have never been paid, but I have seen the money carried by the teacher to the principal's office. I was in the 3rd grade, 7 years old, when I first went out to pick.

Last November my teacher who asked me to pick was named ~~Sutty~~ Mrs Lacey Gentry.
