**STATE OF MISSISSIPPI
COUNTY OF MADISON**

I, John L. Bacon, 29 years of age, resides at Box 112, Rt. two Camden, Madison County, Mississippi.

I was coming from another direction, going to the same place as Mr. Benjamin Small, as stated in his affidavit, dated May 23, 1964. They charged me for an improper muffler. I was driving the automobile of my brother's, Lev Bacon, who lives in Illinois, who had just come to visit me from Illinois. It was the same officer who arrested Mr. Benjamin Small as stated in his affidavit and I believe that they stopped me only because I was attending the freedom rally as stated in the above affidavit.
