Being duly sworn deposes and says: to-wit: I am a citizen of the United States of America and am a Negro or a white participant in civil rights and desegregation work. On (day) Tuesday, (month) June, (date) June 30, 1964, at about 4:30 time, the following happened:

I was driving in a 1963 Plymouth down Route 88 with Lester Guin, Sylvie Weog, Marvin Griffin, and Isaac Coleman. A blue and white 1956 Ford Fair lane Victoria with no license plates started following us and then drove along side. We pulled off the road at D&H truck stop and the Ford stopped a little farther down the highway and pulled over and parked. I got out of the car and walked over to Police Squad Car #4 which was parked nearby. I told the officer that this Ford had been following us and that it had no license plates. He pulled up to where the Ford had parked and we turned around and started home going west on Route 88. The Ford was immediately behind us again. It followed us until we got to 7th Ave. and 17th St where it pulled alongside and tried to run us off the road. It might have succeeded had not a car come along in the opposite direction. We turned left on 14th St. and drove up into the driveway of our office located on 1223 6th Ave No. at which time the Ford stopped for a second and then left. I immediately phoned the Chief of Police's office and registered a complaint with Officer Graham.

About a half hour later the car appeared in front of the office. I informed Car #5 which was nearby that this car had tried to run me off the road. The police car started chasing the Ford and that was the last I heard. The FBI was notified of the incident also.

Sworn to and signed before me this 4 day of July, 1964.
