

[1964, July 7]

Willie Neal Smith

I. I am a Negro participant in the civil rights movement, am 15 years old and my address is Route 3, Box 503B Clarksdale, Mississippi.

II. On or about July 7, 1964, at about 3:30 pm, I and several other people went to the Paramount Theatre in Clarksdale. We asked for tickets. The ~~man~~ cashier said that she couldn't sell us any. We asked to see the manager. She said he wasn't there. We asked her if she was familiar with the Civil Rights Act. She said she didn't know ~~whether~~ if the theatre intended to comply with the Act. We left, telling her that we would be back.

III. I request the Federal Government and the NAACP to institute legal action on my behalf.
