July 11, 1964: Report of harrassment - L.J. Fairley to Mermie McKay

At 1 AM July 11, I was walking with a friend down East Street from Main Street when a 1956⁰⁵ Ford, green and white, with two white men in it drove by and threw a bottle at us, speeding up after he threw it. ~~He stopped in the middle of the street~~ I was hit in the leg. In the morning I saw a police officer and reported the incident so that it would be known by the police. He said that the next time it happened to get the liscence number.

Signed: LJ Fairley
